

REGISTERED 20-YEAR LIMITED WARRANTY

GutterFilter Co., manufactures GutterFilter (the "Product") made of flexible, resilient, synthetic materials, in accordance with high standards and tight quality control. The Product will not dissolve, shrink, split, dent, crack or rot.

WHAT THIS WARRANTY COVERS?

Manufacture: GutterFilter Co. warrants to you, the owner of the property at the time the Product was installed, that the Product is free from defects in material and workmanship in the course of manufacture, and that the Product will not deteriorate under conditions of ordinary wear, if installed according to our specifications. This Warranty is limited to the terms and conditions, exclusions and limitations, requirements and legal rights as follows.

Performance: GutterFilter Co. warrants to you, the owner of the property at the time the Product was installed, that when installed in the manner specified by GutterFilter Co., the Product will keep downspouts from becoming clogged as a result of the interior of the gutter or downspouts filling with debris such as leaves, twigs, needles, seeds, flowers or nests. This Warranty is limited to the terms and conditions, exclusions and limitations, requirements and legal rights stated in this Warranty.

HOW LONG DOES THE COVERAGE LAST?

This Registered 20-Year Limited Warranty lasts for twenty (20) years, from the date of original installation, on the property on which the Product was originally applied ("Property"), so long as you own the Property.

WHAT WILL WE DO?

You must first notify the installing dealer regarding any notice defect in accordance with the performance outlined above, and the dealer must validate the complaint. Upon the notification and validation by the dealer, we will undertake the following: If there is a defect in the manufacture of the Product and the Product fails to perform as stated above, at our sole option, we will either repair or replace the originally installed Product found to be defective. In the event that we choose to replace the Product, we will only be responsible for providing materials. The installing dealer may charge for installation of new Product. GutterFilter Co. will not be responsible for any cost or expense to clear any blockage or obstruction determined to be below ground level. Our obligations under this Warranty will in no event exceed the purchase price, paid to GutterFilter Co., L.L.C., of the originally installed cost of materials, but not including labor. In the event of repair or replacement under this Warranty, the Warranty applicable to the replacement material or to the repaired Product will extend only for the time remaining under the original Warranty.

WHAT THIS WARRANTY DOES NOT COVER?

This Warranty does not cover:

- Damage of any kind resulting from faulty or improper installation;
- Changes in surface color resulting from chalking, fading, soiling or staining. Exposure to the elements may cause these changes over time; the degree to which weathering occurs will vary depending on air quality, the building's location and other local conditions over which we have no control;
- Care & maintenance. GutterFilter is one of the most efficient gutter protection systems available today for residential and commercial applications. In most cases, normal debris is lifted away with only a gentle breeze. In sheltered roof areas or overhangs on flat and shallow-pitched roofs, debris may collect where air cannot lift away debris. We recommend occasionally clearing these areas to keep GutterFilter working properly;
- Structural shrinkage, expansion, settlement, or distortion of, or damage to, the gutter system into which GutterFilter is installed;
- Fire;
- Lightning, hurricane, tornado, windstorm, earthquake, or other acts of God;
- Harmful chemicals (including harmful cleaning compounds and pesticides);
- Fumes or vapors;
- Surface deterioration due to air pollution;
- Misuse or abuse;
- Vandalism;
- Costs or expense incurred to clear any blockage or obstruction, which is determined to be below grade;
- Warping or distortion due to exposure to excessive heat sources, (e.g., barbecue grills);
- Products that have been painted, or whose surface has been altered in any way without written authorization from GutterFilter Co.;
- Other causes beyond our reasonable control.

Care & Maintenance: GutterFilter is one of the most efficient gutter protection systems available for residential and commercial applications. In most cases, normal roof debris is blown off roof. In sheltered or shallow-pitched roofs, debris may collect. We recommend occasionally clearing these roof areas to keep GutterFilter working properly.

OTHER LIMITATIONS

1. This Warranty covers only genuine GutterFilter. It is your responsibility to verify that the Product installed is GutterFilter.

2. We reserve the right to discontinue or change any design of any of our Products at any time and without notice or liability. If, for any reason, Products of the type originally installed are no longer available from us at the time you make a Warranty claim, we may substitute another product determined by us to be of comparable quality and price.

3 "20 Year No-Clog Manufacturer Warranty" - Our promise is that for the 20-year duration of the GutterFilter Co. product warranty, so long as the product has been installed in the manner specified by GutterFilter Co., your gutters will not become clogged as a result of the interior of the gutter or downspouts filling with debris such as leaves, twigs, needles, seeds, or nests. Our product is designed to eliminate entry of this sort of debris that can otherwise create blockages in the gutter or flow to the downspout and cause damming and eventual gutter overflow.

4. There are no warranties on this Product other than as set forth in this Warranty. We are not liable to you for a breach of any other written or oral express warranties, such as those, if any, given to you by dealers, contractors, applicators, or distributors of the Product.

5. WE EXCLUDE, AND ARE NOT RESPONSIBLE FOR, ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES ARISING OUT OF ANY BREACH OF THIS EXPRESSED WARRANTY, OR ANY OTHER ORAL, WRITTEN, OR IMPLIED WARRANTY THAT MAY APPLY TO YOUR PURCHASE AS IT RELATES TO OUR PRODUCTS. THIS IS YOUR EXCLUSIVE WARRANTY AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

6. This Warranty gives you specific legal rights. You may also have other rights, which vary from state to state. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES AND SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

HOW DO YOU REGISTER YOUR WARRANTY?

For all GutterFilter materials used on this installation project, one Warranty Registration must be completed and mailed within 30 days after original installation has been completed. Please mail it to GutterFilter Co., Warranty Registration Department, 2773 Shire SW, Grand Rapids, Michigan 49544. Failure to register the Warranty will void the Warranty, as registration of this Warranty confirms the date of purchase of our Products and assists GutterFilter Co. in processing any Warranty claim you might have. This registration is of benefit to you, especially if your original proof of purchase is lost.

HOW DO YOU TRANSFER YOUR WARRANTY?

You may transfer this Warranty by providing written notice to us within 30 days after the date of transfer of ownership. In the event of a transfer of this Warranty, this Warranty may not be further transferred. The notice should include the address of the Property, the name and mailing address (if different) of the new owners and the date of transfer. The notice should be sent to GutterFilter Co. Warranty Transfer Department, 2773 Shire SW, Grand Rapids, Michigan 49544. Failure to notify GutterFilter Co. will not void the Warranty, but the notice will assist GutterFilter Co. in processing any Warranty claim. Warranty coverage upon transfer is as described in detail above. Upon any transfer of the Property, your obligations become the obligations of the new Property owners.

HOW DO YOU SUBMIT A WARRANTY CLAIM?

You must submit your claim in writing to us within the Warranty period and within a reasonable period of time after the defect is discovered. To initiate a claim, you should first contact your installing dealer for warranty services. In the event you are unable to contact your installing dealer, you may submit a claim request directly to the manufacturer in writing. Please provide the following information: a description of the claimed defect and the date the defect was discovered; date of original installation; and your name, address and phone number. Written claims should be sent to GutterFilter Co., Warranty Claims Department 2773 Shire SW, Grand Rapids, Michigan 49544. GutterFilter Co. will provide notification of any additional information and physical evidence that may be required to process your claim.
